Tuition Installment Plan

Ascent College does offer a Tuition Installment Plan to assist students in paying the current academic year's tuition and fees. If students wish to enroll in a payment plan they must sign the Tuition Installment Plan agreement. They will be charged a \$25 fee to enroll in the program. Each month the payment is due on the first day of the month. If it is not received by the 6th day of the month it will be considered late and a \$25 late fee will be added to the account.

Any remaining balances from the previous school year **must** be paid in order to register for classes, receive a diploma, or get transcripts.
