FROM THE OFFICE OF THE PRESIDENT

Ascent College is all about “Cultivating the Call” in people’s lives. Ephesians 2:10 says, that we are “God’s workmanship created in Christ Jesus to do good works.” At Ascent College, we prepare people for the work God has created them to do. You’ll find Ascent College to be...

PASSIONATE

At Ascent College, we strive to create an atmosphere where students can grow into passionate followers of Jesus Christ. That environment includes chapel services, small groups, and personal interaction with instructors.

PRACTICAL

Students don’t have to wait until they graduate to put what they learn into practice. Through Christian service, practicums, and internships, students have a variety of experiences to help them learn by doing.

PURPOSEFUL

Everything we do at Ascent College is about cultivating the call to ministry. As such, our curriculum focuses on ministry-related courses and programs. Many of our faculty are pastors of local churches and bring this pastoral experience into the classroom. Our prime mission is to cultivate your call into Christian ministry!

Please visit our website at www.ascent.edu. If I can assist you in any way, please don’t hesitate to contact me at rrhoden@ascent.edu. We look forward to serving you at Ascent College.

Dreaming together,

Dr. Rob Rhoden
President Ascent College

INTRODUCTION

The Ascent College Story

Bethel Bible Institute (BBI) was founded by Dr. John Mannion in 1996 for the purpose of training missionaries and church leaders. Pastor Ron Johnson, who was a sectional presbyter with the Potomac District, assumed the presidency. By 1997, BBI was approved by the Potomac District of the Assemblies of God as a training institute to provide the educational requirements for credentialing ministers at the certification and licensing level with the Assemblies of God.

In 1998, Rev. Stuart Ross was appointed as director to lead the school for training pastors, evangelists, missionaries, Christian education workers, and lay ministers. Rev. Ross was instrumental in positioning the school for the training of Hampton Master's Commission students and local pastors.

In 2002, Pastor Ron Johnson appointed Dr. Terry Minter as President of Bethel Bible Institute. Pastor Johnson and Dr. Minter envisioned a four-year college and began the transition from a Bible Institute into a college that awards both bachelor and associate degrees. In 2005, Bethel College was incorporated in the Commonwealth of Virginia as a non-profit corporation (501(c)(3) and was certified to operate as an in-state, non-profit college by Virginia. In 2013 Bethel College was granted accreditation by The Association for Biblical Higher Education (ABHE), 5575 S. Semoran Blvd., Suite 26, Orlando, FL 32822-1781, 407-207-0808.

In 2006, Bethel College moved into a new facility with a new library and several new classrooms to be shared with Bethel Temple Church. In May 2017, Dr. Mark Wootton became the third president of Bethel College. In March 2019, Dr. Ron DeBerry was appointed by the board as the Interim President. In November 2019, Dr. Rob Rhoden became the president of Bethel College. Soon afterward the college changed its name to Antioch College of the Assemblies of God and established an increased relationship with the Potomac Ministry Network. The name was changed again to our current name, Ascent College.

Location

Ascent College is centrally administered in northern Virginia at the Potomac Ministry Center at 14525 John Marshall Highway in Gainesville, Virginia. It has connection with local churches, called Partner Sites, where students can experience community, spiritual formation, practicums, and Christian service. Ascent College currently has on-campus courses at one Partner Site, Word of Life Church, in Springfield, Virginia, as well as at the main campus at the Potomac Ministry Center.

Mission Statement

Ascent College equips Spirit-empowered leaders to be passionate, principled, and practical ministers through Biblical education and leadership formation.

Philosophy of Education

Ascent College intends for students to leave the school with the character evident of mature Christians and excellent academic training. Ascent College is able to provide comprehensive theological training, as well as the excellent practical tools necessary to equip students for a maximized ministry and life experience. It is the desire of Ascent College for each student to experience both the spirit of local church engagement and the academic training of the College. All the school's course offerings are consistent with this stated philosophy and purpose. The school focuses on instruction with no research or public service opportunities.

Our delivery model is best described as online education in the context of community. Students simultaneously enjoy the freedom of digital access as well as the benefits of face-to-face interaction with peers. This learning synergy takes place at our Partner Sites. Students are actively involved, learning, and

serving at a Partner Site, where mentoring relationships between students and Partner Site leaders are established. All program offerings may be taken in an online format.

Governance

Ascent College is a not-for-profit, private college governed by a constitution and bylaws providing the basis for institutional administration and governance. A Board of Control exercises legal and fiduciary responsibility for oversight of institutional integrity, policies, resource development, and ongoing operations. The President of the College provides administrative leadership for the institution. The President has an administrative staff who provides guidance and oversees the day-to-day operations.

The school offers the following concentrations in a Bachelor of Ministry degree:

- Biblical Studies (on campus and online)
- Ministerial Leadership (on campus and online)
- Children's Ministry Leadership (on campus and online)
- Youth Ministry Leadership (on campus and online)
- Intercultural Studies (on campus and online)
- Worship Leadership (on campus and online)
- Christian Counseling with a Focus on Psychology (on campus and online)
- Christian Counseling with a Focus on Pastoral Ministry (on campus and online)
- Digital Ministry (online)

All students are required to complete core courses in general education and general ministry in order to provide well-rounded training. This structure allows students to achieve broad academic and practical outcomes that are important in every aspect of ministry.

Statement of Faith

Faith in God should be understood and talked about knowledgeably. The leadership and faculty of Ascent College offer these articles to represent our faith commitment.

- I. We believe the Bible is the inspired, infallible, and authoritative written Word of God.
2 Timothy 3:15-17; 2 Peter 1:21
- II. We believe there is One God, eternally existent in three Persons: God the Father, God the Son, and God the Holy Spirit. *Deuteronomy 6:4; Matthew 28:19*
- III. We believe in the deity of our Lord Jesus Christ, His virgin birth, His sinless life, His miracles, His vicarious and atoning death, His bodily resurrection, His ascension to the right hand of the Father, His personal future return to this earth in power and glory to rule a thousand years. *Matthew 1:23; Philippians 2:9-11*
- IV. We believe in the blessed hope - the rapture of the Church at Christ's coming.
1 Thessalonians 4:16-17; Titus 2:13
- V. We believe the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ. *Romans 3:22-26; Ephesians 1:7; 1 John 1:9*
- VI. We believe regeneration by the Holy Spirit is absolutely essential for personal salvation.
Luke 24:49; Acts 1:4,8
- VII. We believe in water baptism by immersion. *Matthew 28:19; Mark 16:16*

- VIII. We believe the redemptive work of Christ on the cross provides healing for the human body in answer to believing prayer. *Isaiah 53:4, 5; James 5:14-16*
- IX. We believe the baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it. *Corinthians 12:4-10, 28*
- X. We believe in the indwelling and sanctifying power of the Holy Spirit who enables the Christian to live a holy life. *Romans 8:11-13; 2 Thessalonians 2:13; 1 John 5:18*
- XI. We believe in the resurrection of the saved to everlasting life and the lost to everlasting damnation. *Matthew 25:46; Revelation 20:11-15*

Christ-Honoring Conduct

Students, faculty, and staff of Ascent College are expected to maintain high standards of Christian conduct both on and off campus. Morally and Biblically, certain practices are clearly wrong and should be avoided. These include substance abuse, stealing, slanderous or profane language, dishonesty, occult practices, addictions (mutilation, sexual addictions, eating disorders, drug addiction-both illegal and prescription), and sexual sins (premarital sex, adultery, pornography, and homosexuality). Attitudes such as greed, jealousy, pride, lust, bitterness, needless anger, an unforgiving spirit, discrimination, and prejudice are unacceptable at Ascent College. However, if you find that you are genuinely struggling with such issues, we advise you to seek the counsel of a faculty member.

The Bible does not provide specific teaching on all social practices, but advocates self-restraint in behavior toward others. Therefore, any behavior that is considered detrimental to Christian character and witness is disapproved of strongly, and disciplinary action will be taken accordingly.

Institutional Goals

1. Nurture students with skills and knowledge for Biblical competence.
2. Develop students with broad knowledge in general education for a Christian worldview.
3. Equip students to be servant-leaders with practical ministry skills.
4. Guide students in Spirit-empowered formation for Christian mission with their local church communities.
5. Provide institutional support to students, faculty, and staff through administrative excellence, financial management, services, and learning resources.
6. Cultivate growth in Ascent College financial resources and assets.

ADMISSIONS

Admissions Policy

In accordance with our mission to prepare students spiritually, practically, and academically for professional and lay ministry, Ascent College's requirements for admission consider each prospective student's relationship with Christ and His Church, calling to ministry, commitment to Christian service, and scholastic aptitude for post-secondary education. The application process requires the submission of documentation demonstrating the applicant's suitability/aptitude in each of these areas.

While maintaining high standards for admission to Ascent College, our admissions policy does not discriminate between prospective students based on race, color, nationality, ethnic origin, or gender. Ascent College does not discriminate against disabled persons who are otherwise eligible for admission to the College. Furthermore, all students granted admission have the right to participate in all programs and activities available to the student body.

Applications are accepted on a rolling basis for the fall, spring, and summer semesters, and are accepted as early as 12 months before the requested entry semester. To allow adequate time for processing, all applications should be submitted at least one month prior to the beginning of official registration. All applications should be directed to the admission office. Once Ascent College receives and processes an application, notification of status will be sent to the student. If accepted, the student will also receive an enrollment packet which will include additional required information for enrollment and registration.

General Admission Requirements

Prospective students applying to Ascent College must submit a completed Application for Admission and a non-refundable application fee of \$25.00.

The following requirements must be submitted for admission consideration:

Official high school transcripts or a high school equivalency diploma (GED) with test score;

OR

In lieu of high school transcripts, transfer students may submit official transcripts from any accredited postsecondary institution attended;

AND

Any additional documentation requested by the admissions office. If the College determines that the high school completion documentation may not be valid or was not obtained from an entity that provides secondary school education, the College will complete the following:

1. Receive documentation from the secondary school that the completion is valid, and
2. Receive documentation from the relevant department or agency in the state in which the secondary school is located that the secondary school is recognized as a provider of secondary school education, if applicable.

Academic Requirements

The following requirements are designed to determine academic record and scholastic aptitude. All applicants must show that they have maintained a grade point average of 2.0, equivalent to a grade of "C".

Conditional Status

Students may be placed on conditional status if all requirements for full acceptance (all official and unofficial documents have not been submitted) are not fulfilled and approved by the Registrar. Conditional students cannot be enrolled in future classes until cleared by the Registrar.

Provisional Status

Students may be placed on provisional status if requirements for full acceptance (GPA at or above 2.0) are not met. The provisional status will be removed if the student achieves a cumulative GPA of 2.0 during the first semester of enrollment. If the provisional student does not achieve a cumulative GPA of 2.0 during the first semester of enrollment, the student will be subject to academic dismissal.

Home-schooled Applicants

Home-schooled applicants must submit the following academic documentation in lieu of official high school transcripts:

1. Transcripts of all courses taken in secondary education reflecting the grades attained and the date of graduation;
2. A letter signed by the prospective student's parents indicating that all home-schooling standards required by the state in which the home schooling occurred have been met.
3. If these two submissions cannot be made, it will be necessary to obtain GED test scores.

Early College Admittance

The Ascent College early college admittance program allows high school students to receive high school credit for Ascent College courses, or to take college courses before completing high school. To continue and complete an academic program, students must graduate from high school and submit official, completed high school transcripts. Students must be at least 16 years old, have a high school GPA of 3.0 or higher, and be able to demonstrate good Christian character and maturity to enroll in 100 and 200 level courses at Ascent College. The first college course will be tuition-free. Each class after that will be offered at 50% off the tuition price as long as the student is enrolled as an Early College student. Applications are available at <https://ascent.edu/early-college/>.

International Students

International students must submit the following additional requirements:

1. Evidence of completion of a secondary school program with a certified English translation. The academic credentials should indicate marks of good to excellent.
2. A demonstration of reasonable mastery of the English language.
3. If English is not the prospective student's first language, it is required that the applicant takes the Test of English as a Foreign Language (TOEFL) unless a waiver is granted. A minimum score of 500 must be obtained, and an official report of this score must be forwarded to Ascent College before an admissions decision can be reached or other documentation to demonstrate mastery of the English language.
4. A valid passport and proper medical documentation are required for leaving the home country and for issuance of a student visa upon entering the United States.
5. Demonstrate financial resources for one full academic year.

*Due to additional requirements, international students should allow a minimum of one year to complete the admissions process.

Audit Students

Policy for Audit Students: An applicant applying for admission as an audit student must submit an application with the two reference forms along with payment of the application fee. No record of previous academic work is required for audit students, and no application essay is required. No enrollment deposit is required. A record of classes audited will be maintained, but no academic credits will be granted. If a student later desires to be admitted as a regular student all admission requirements must be fulfilled. Nonrefundable tuition must be paid in advance before an audit student is registered for a class.

Spiritual Requirements

All students must submit the following requirements, which are designed to demonstrate the applicant's faith, character, and involvement in ministry within the local church and community:

1. Two references, one pastoral and one personal
2. A written testimony of personal Christian faith and growth, ministry experience, expectations, and goals.

Enrollment Deposit Requirement

Upon acceptance, students are required to submit a deposit to hold their place. This is non-refundable and will be applied toward the first semester's tuition. Refer to the Finance Section of this catalog for the current tuition and fee schedule. If the student decides to cancel their enrollment within the month prior to the start date they will not be entitled to a refund of the tuition deposit.

Transferability of Ascent College Credits

While Ascent College is accredited by a national accrediting agency, every college or university has its own policies on accepting credits or degrees earned at another institution. It is best to review the policy of the college or university to which you may be considering the transfer of credits.

POLICIES AND PROCEDURES

Nondiscriminatory Policy

Ascent College admits students of any race, color, nationality, or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, gender, handicap, national, and ethnic origin in administration of its educational policies, admissions policies, and other school-administered programs. The college reserves the right to withdraw a student for what it considers to be a necessary cause at any time.

Disclaimer Policy

The college reserves the right to make necessary changes without further notice. The regulations, courses, personnel, and costs listed herein are subject to change after date of publication of this catalog through established procedures. In such cases, the college will attempt to communicate such changes to all students, faculty, and staff through written means. It is important that students familiarize themselves with the regulations set forth in this catalog and assume their proper responsibilities concerning the regulations.

Registration

Prior to registration, all requirements for admission or re-admission must be completed. Pre-registration may be available for returning students the final weeks of each semester. Official registration is held for all students three weeks prior to the start of each semester. Late registration is available during the add/drop period, but a late fee will be charged to all students registering during this time. All registration dates are posted on the official calendar.

Students Needing Additional Educational Support

Students needing additional educational support may be considered underprepared and need additional resources to enhance their educational success. Students will be evaluated during the admissions process prior to starting classes. Students identified as needing additional educational support should be referred to the Dean of Students. When students are identified during their admission process, the potential student can only be admitted on a *PROVISIONAL* basis.

Orientation

All first-time students are required to participate in orientation at the beginning of their first semester of enrollment. Orientation serves to assist students in adjusting to college life and includes an overview of policies, procedures, and services of the college.

Learning and Educational Resources

The Ascent College Minter Library provides an excellent learning resource for the college. The entire library staff is dedicated to supporting the academic mission of Ascent College by teaching and helping students discover how to access, evaluate, and ethically use information. The library houses over 15,000 items including books, e-books, and audio-visual materials. All materials are indexed in the library's internet-accessible library catalog. Over 100 research electronic databases are provided to support the major disciplines with thousands of full text scholarly journal articles and research documents. Additional sources are available through a fast and efficient interlibrary loan system. The library houses the Ascent College Writing Center and information to access various online writing resources.

Definition of Credit Hour

Federal Definition: All Ascent College courses must adhere to the Federal definition of credit hour. The Federal definition states that "A credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than:

- One hour of classroom or direct faculty instruction and minimum of two hours of out-of-class student work each week for approximately fifteen weeks
- Or at least an equivalent amount of work as required in paragraph (1) of this definition for other activities as established by an institution, including laboratory work, internships, practicums, studio work and other academic work leading toward the awarding of credit hours.”

The Ascent College Equivalencies of the Credit Hour: The institutionally established equivalencies to the Federal definition of the credit hour at Ascent College are below.

1. Face-to-Face format (on-campus courses): For each semester hour of credit, classes that meet in a face-to-face format must include a 50-minute period with the instructor and two hours of outside class work for at least 15 weeks. 1 credit hour = 50 minutes contact + 120 minutes outside work over 15 weeks for a total of 2,550 minutes of student effort.
2. Distance Education (online courses): Credit hours awarded from courses taught via distance education or in some other non-traditional setting follow the same rules when determining the number of credit hours awarded. For each semester hour of credit, classes must include three hours of work per week for at least 15 weeks. The three hours include the interactions with faculty and other students in online discussion forums and other interactive formats and the additional course work required outside this interactive format. 1 credit hour = assignments equaling 170 minutes per week over 15 weeks for a total of 2,550 minutes of student effort.

Any off-cycle course (i.e., 8-week course) must be equivalent in both contact and outside work totals as a semester-length course.

Academic Advising

Students will be assigned an academic advisor. The academic advisor will assist the student in course selection and planning, as well as be available for advice at any time throughout the year. The academic advisor approves scheduling, but the student must assume responsibility for fulfilling all degree requirements. It is recommended that all students meet with their academic advisor prior to registration each semester. The student will be provided the contact information of his or her academic advisor at the time of orientation. Academic advisors may be contacted by email and will respond within 48 hours during the workweek.

Course Load

The full-time academic load is 12 credit hours per semester. Students should be aware that 12 credits per semester will require approximately five years for completion of a bachelor’s degree. For a completion time of four years, students will need to take at least 16 credits per semester and/or attend summer sessions. A student on academic probation may only enroll for a maximum of 12 hours. Students are expected to work with their academic advisors to avoid scheduling problems and deficiencies.

Course Selection for Students Abroad

Students enrolled in Ascent College outside the United States are required to limit their course selection to the courses within the program of study in which they are currently enrolled. Taking elective courses is not permitted.

Course Schedules

Course schedules are published each semester. Students should contact their academic advisors to assure they take courses within their respective degree plans.

Class Attendance

Students are expected and encouraged to attend class regularly. A student who misses more than 20% of classes for any reason is subject to automatic failure in the class. He or she may be dropped from the course

and can receive a grade of “F” for the course, unless the Academic Dean has granted a waiver. This waiver will be considered only when the student provides adequate justification of a medical or personal emergency that necessitated the class absences. Even with the waiver, it is expected that the student and the instructor would meet one-on-one at the discretion of the instructor, and as necessary, to review the material missed.

Likewise, students attending an online class are expected to engage in online courses weekly and meet assignment due dates and discussion forum due dates. Students should be aware that a failing grade may result from lack of participation in discussion forums for online classes.

An audit student who misses more than 20% of the classes of an on-campus course or fails to view more than 20% of the lessons in an online course will be withdrawn from the course.

Practicums

Practicums are included in the approved curriculum for a program as defined in that program’s degree plan. The practicum’s syllabus contains the expected learning outcomes and training plan. These are provided at the time of enrollment in the practicum.

Office Hours for Instructors

All instructors have virtual office hours outside the normal class meeting or online discussion forums. These office hours are posted in the course syllabus.

Course Add/Drop and Withdraw

A student may add or drop a class up to seven days after the start of the term without financial penalties. Class withdrawal forms are available on the ascent.edu website on the Student Forms page. No student is allowed to change a class without completing the add/drop procedures. Withdrawal from a class will result in a withdrawal on the student's transcript. Failure to follow proper procedures when withdrawing from a class may result in automatic failure for that course.

Cancellation of Enrollment

Cancellation requests must be in writing. When the student has enrolled in the college and before the session begins, the student has three (3) business days to cancel the enrollment and receive a full refund of all tuition and fees paid for the current session except for the non-refundable Enrollment Fee. After the session begins, during the seven (7) day Add/Drop period, the student may submit a cancellation of enrollment request in writing and receive a full refund of all tuition and fees paid for the current session except for the non-refundable Enrollment Fee. Refund request must be in writing and will be processed according to the refund policy.

Complaint/Grievance Procedure

Students are encouraged to follow the Biblical principles found in Matthew 18 to resolve conflicts, concerns or complaints. Written complaints shall be responded to in writing within 10 days of receipt of the complaint. If the complaint is rejected, the student shall be notified of the reasons for the rejection. None of the student’s rights or remedies shall be limited by participating in the complaint procedure. In addition, a student participating in the complaint process will not be subjected to retaliation or adverse action.

If the student is not satisfied with the outcome of this complaint process, they have the right to contact the State Council for Higher Education for Virginia (SCHEV), which provides a webpage for students who may have complaints against a college (<https://www.schev.edu/index/students-and-parents/resources/student-complaints>). If you are a resident of a state other than Virginia, you may also contact the office in your state for filing complaints against the college. Please contact the Student Affairs Office for further information. Student may also contact The Association for Biblical Higher Education

(ABHE) 5575 S. Semoran Blvd. Suite 26, Orlando, Florida 32822-1781 Phone: 407-207-0808 to file a complaint against a college. The student complaint will follow these steps below:

1. Students will be encouraged to resolve the complaint themselves by speaking directly to the person involved. If no resolution can be made, then the student is encouraged to complete the next step.
2. Complete the Student Grievance Form (download from ascent.edu) and submit to the Student Dean. The administration will acknowledge receipt of the form to the student within 48 hours.
3. If necessary, a meeting will be set-up to include the parties involved.
4. If no resolution is achieved the complaint shall be transmitted to the President for review and resolution.

The Virginia State Approving Agency (SAA) is the approving authority of education and training programs for Virginia. This office investigates complaints of G.I. Bill® beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact the SAA office via email saa@dvs.virginia.gov. G.I. Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about educational benefits offered by VA is available at the official U.S. government website at <http://www.benefits.va.gov/gibill>

Leave of Absence Policy

In the case of prolonged illness or accident or other special circumstances that require a student to pause their studies, a leave of absence may be granted to a student who submits the Leave of Absence request form through that student's academic advisor. The leave of absence form requires an anticipated return date that must be within 180 days of the start of the leave of absence. If a student has not returned as an active student in that time frame, that student will be administratively withdrawn and will need to reapply to continue their studies. If a student would like to resume taking courses within those 180 days, they may do so as long as their student account balance has been fully satisfied and they have satisfied any academic disciplinary measures required. No additional fees will be incurred during a leave of absence. Upon the student's return from the leave of absence, he or she will be permitted to resume taking courses in their program of study. A leave of absence is not permitted to extend beyond 180 days within a 12-month period.

Withdrawal from College

A student must submit a form with the Registrar's office to officially withdraw from college. Failure to attend classes is not considered an official notice and could result in a grade of "F" for all courses in progress at the time the student ceases attendance. An official withdrawal is recorded after the student completes all exit interviews and surrenders the student ID.

Re-Admission Policy

A student who has withdrawn from the college, has been on a leave of absence that extends past 180 days must apply for re-admission. Such students must submit the application fee, an application, both references, a letter explaining why he/she wishes to re-enroll, and official transcripts for any transfer credits earned in the interim. The student will be re-admitted with the same academic standing held at the time of the withdrawal from the college. All admissions requirements in effect at the time of re-enrollment must be met.

Classification of Students

Year status Freshman: 1-30 semester hours completed; Sophomore: 31-60 semester hours completed; Junior: 61-90 semester hours completed; Senior: 91 and above semester hours completed.

Full-time status

Students carrying at least 12 hours per semester are designated as full-time students.

Part-time status

Students taking less than 12 hours per semester are part-time.

Audit Status

The definition of audit is to attend a class as a listener, completing no work and receiving no credit. Ascent College will permit audits subject to the following regulations:

1. The academic dean in consultation with the instructor grants the student permission.
2. Auditors do not receive grades or credits for classes attended but are eligible to receive continuing education units (CEU) as documented by a transcript.

Transfer of Credits

Credits may be accepted from Advanced Placement (AP) programs, the College Level Examination Program (CLEP), credit for experience, and military education, on a case-by-case evaluation.

Credits from a postsecondary institution accredited by both the U.S. Department of Education and the Council for Higher Education Accreditation (CHEA) are transferable to Ascent College if the classes are comparable and applicable to the degree plan. Credits from other postsecondary institutions may be transferable and are evaluated on a course-by-course basis. Every effort is made by administration to transfer as many hours as possible to avoid loss of academic credit. For more detail, please refer to the transfer credit policy on our website, www.ascent.edu, under the Student tab, Policies and Procedures link.

Policy on Credits Earned at less than “C” Level:

Transfer credit will not be granted for a grade below a “C”.

Policy on Credits for Military Experience:

Veterans who have successfully completed courses in the military service-training program may submit a record of the courses to the Registrar for review.

Policy on Credits for Experience:

Ascent College awards credit for life experience. No more than 30% of the credit in a student’s program may be awarded for life or work experience. For more detail, please refer to the transfer credit policy on our website, www.ascent.edu, under the Student tab, Policies and Procedures link.

To remain in good academic standing, all students are expected to maintain a minimum of a 2.0 grade point average. A student whose semester GPA falls below 2.0 will be placed on academic warning. A student whose semester GPA falls below 2.0 for the second consecutive semester will be placed on academic probation. If the student's semester GPA falls below 2.0 for a third consecutive semester and/or the cumulative GPA is below 2.0, the student may be placed on academic dismissal from the school and must wait for one semester before applying for readmission. The student will no longer be certified for GI Bill® benefits when the semester GPA falls below 2.0 for the third consecutive semester. For GI Bill® benefits to be restored, the student must be under a monitoring program that requires the student to maintain a semester GPA of 2.0.

Policy for Online Courses

Online courses are comparable in content, faculty, educational objectives, and resources to those offered on campus. These objectives are stated in the syllabus for the course.

Online courses include regular student-faculty and student-student interaction through discussion forums, email, and zoom meetings. Faculty have virtual office hours for additional student-faculty interaction.

All online courses use the online learning platform, Populi, which provides training modules and support to faculty and students. Ascent College personnel also provide training sessions for both faculty and students as needed.

Students and faculty should be aware of the minimum technology specifications for engaging in online courses:

- a. Broadband Internet
- b. Modern Updated Web Browser
- c. PC or Mac with Monitor
- d. Microsoft Word and Adobe Acrobat Reader

For additional information regarding these requirements for online students, refer to <https://ascent.edu/>

Policy for Generative Artificial Intelligence Usage

Unless clearly specified by an instructor, Generative Artificial Intelligence (Gen AI) tools such as Chat GPT may only be used for brainstorming and idea generation. Students may also use Grammarly's Gen AI functionality to aid in idea generation, paraphrasing, and citations. Students must ensure that all submitted work reflects their own understanding and creativity. Gen AI tools are never to be used for tests, quizzes, and assessments or to produce any of the written content you submit for grading. If students do use Gen AI tools for the planning phase of papers and essays or for help with paraphrasing, students will need to cite it fully and properly, using Turabian AI citation guidelines (note that Grammarly's Gen AI functions include a citation generator). Using an AI tool without proper attribution would be a violation of the Ascent College student code of conduct. Use of Gen AI beyond what is stated above is equal to plagiarism and a violation of the Ascent College student code of conduct.

SPIRITUAL LIFE POLICY

The Word of God and Prayer

Inasmuch as the Bible is inspired by God and is God's revelation to humankind, all students are expected to study its contents daily in personal devotions. Likewise, students are expected to pray daily as an act of worship that glorifies God, reinforces our need for Him, and advances God's purposes in the earth. Daily Bible study and prayer are the foundations upon which Ascent College builds a culture of academic excellence and leadership development.

Chapel Services

Chapel services are a key component of our commitment to build a community of faith that is supportive, encouraging, and enduring. Each student is required to attend online chapel services and other spiritual formation activities, including student body prayer meetings.

Church Attendance Policy

Ascent College supports and is committed to instilling the Biblical concept of the local church into the school's framework. Thus, church attendance is mandatory for all with the expectation that students are actively engaged in their local services. Students involved with a Partner Site will attend the Partner Site church services and other spiritual activities as described by the Partner Site. Students not connected with a Partner Site will engage in practical ministry and spiritual development at a local church in their area.

Practicums

These connections and involvements at the Partner Sites or the local church will be documented through the Practicum programs. These Practicum programs are integrated into the curriculum and students receive spiritual mentoring as well as practical experience through the required Practicums. These Practicums have an element of spiritual development via local church involvement and mentoring from local church leaders. Refer to the Ascent College Practicum Manual for a detailed description of these mentoring elements.

Code of Conduct

All students are expected to maintain high standards of Christian conduct both on and off campus. Morally and Biblically, certain practices are clearly wrong. Students should abstain from such behavior. These include substance abuse, stealing, slanderous or profane language, dishonesty, occult practices, addictions (mutilation, sexual addictions, eating disorders, drug addiction-both illegal and prescription), and sexual sins (premarital sex, adultery, pornography, and homosexuality). Refer to the Student Handbook for additional information about the Ascent College Code of Conduct.

FINANCES

Enrollment Fee

A non-refundable Enrollment Fee of \$100 and a \$50 fee student services fee is due and payable at the time of enrollment. Auditors do not need to pay the enrollment fee.

Tuition and Other Fees

Payment for tuition and other fees is due and payable at the time of registration for courses. Payment may be in cash, check, credit card (MasterCard, Visa, American Express, or Discover), approved scholarships, or a combination of these methods.

Tuition and Fees at Ascent College

- \$350 per college credit
- \$ 50 per college credit for auditing, due before class begins

- \$100 enrollment fee required to begin taking courses
- \$ 50 student services fee required to begin taking courses
- \$125 fee for library resources course (no credit) required of all new students
- \$125 fee for Senior Seminar course (no credit) required before bachelor's program completion

Textbooks and Logos One

Textbook purchases are not included in Ascent College tuition and fees. Students will be responsible to purchase books from any source they choose.

Logos One is Ascent College's official digital textbook provider. Logos provides selected course textbooks through its robust digital platform along with a small package of free resources. The price of textbooks varies by semester. Logos textbooks are accessed through a link on the syllabus page of Populi courses that offer Logos textbooks. In these courses, students must either opt-in or opt-out of receiving Logos textbooks by the add/drop date of that session. Students that have not opted out of receiving textbooks by the add/drop date are automatically opted in, and their student account charged the session's nonrefundable textbook fee. Customer support is available through Logos:

Phone Number: 800-875-6467

Paying for College

Tuition and fee payments will be due prior to semester registration. Students who still have outstanding bills will not be allowed to register for classes. Ascent College does provide payment plans for students to pay their bill in installments throughout a semester. A student's account must be at a zero balance by December 31 to be able to register for the Spring semester.

Ascent College does offer some institutional scholarships to qualified students. For more information, refer to: ascent.edu/scholarships. There are several options for paying for college; to name a few, there are Personal Funds, Private Scholarships and Grants, Federal Grants and Loans as well as Private Loans. Please visit our website at www.ascent.edu for information about paying for your college education. Applications for these additional resources can take several weeks to process so they need to be started at least twelve weeks before the semester begins. In fact, many private scholarships and grants have their own specific deadlines for application submission. It is imperative that students initiate financial applications along with their academic application in order to assure financial resources are available prior to the beginning of the semester. Please refer to our website for information concerning the percentage of students receiving Federal Student Aid and the average student indebtedness at graduation (<https://ascent.edu/tuition-and-financial-aid/>)

Special Provisions for Veterans Administration Covered Individuals

A covered individual is any individual entitled to educational assistance under chapter 31, Vocational Rehabilitation and Employment or chapter 33, Post-9/11 GI Bill benefits. Covered individuals will be permitted to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 (a certificate of eligibility can also include a Statement of

Benefits obtained from the Department of Veterans Affairs' (VA) website – eBenefits, or a VAF 28-1905 form for chapter 31 authorization purposes) and ending on the earlier of the following dates:

1. The date on which payment from VA is made to the institution.
2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

Ascent College will not impose any penalty, including assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.

Refunds, Credits, and Reinstatement as a Result of Military Service

Pursuant to 23-9.6:2 of the Code of Virginia, and corresponding State Council on Higher Education for Virginia (SCHEV) Guidelines, Ascent College has developed this policy providing for the tuition relief, refund, and reinstatement of students whose service in the uniformed services has required their sudden withdrawal or prolonged absence from their enrollment. Service in the uniformed services is defined as service (whether voluntary or involuntary) on active duty in the Armed Forces, including such service by a member of the National Guard or Reserve, for a period of more than 30 days under call or order to active duty of more than 30 days. Ascent College shall provide for the following:

a. Tuition and Required Fees

Should a student be ordered to active duty (for reservists) or be mobilized (active military) as described in the Code of Virginia, Section 23-9.6:2 and the State Council's Virginia Tuition Relief, Refund, and Reinstatement Guidelines and he/she requests to be withdrawn from the college after the ADD/DROP date, the student may elect either to be deleted from the registration file and be awarded a full refund or to be administratively withdrawn with no refund and assigned a grade of "W". This policy also applies to refunds of fees to students.

Ascent College shall provide, at the option of the student refunds of deposits to be retained and to be applicable to tuition and fees charged in the semester or term in which the student returns to study.

b. Textbooks

Ascent College shall process refunds for textbooks according to contractual arrangement with vendors.

c. Academic Credits and Grades

Students who are called to active duty or are mobilized, meaning serving in the uniformed services, as described in Virginia Tuition Relief, Refund, and Reinstatement Guidelines, will have the opportunity to receive an incomplete grade ("I") until released from active duty (for reservists) or mobilization (for active military personnel). All course requirements shall be completed within one year from the date of release from active duty or mobilization.

Students may be given the option of taking their examinations prior to regularly scheduled times as an exception to Ascent College policy in accordance with the Virginia Tuition Relief, Refund, and Reinstatement Guidelines.

Careful consideration will be given and special options are available for students who receive student financial aid or Veterans Administration benefits.

d. Deposits

Ascent College shall provide, at the option of the student, deposits to be retained and to be

applicable to tuition, or fees charged in the semester or term in which the student returns to study.

e. Reinstatement

Students who are called to active duty or are mobilized will be provided a reasonable opportunity to be reinstated in the same programs of study without having to re-apply for admission if they return to Ascent College after a cumulative absence of not more than five years so long as the student provides notice of intent to return to the institution not later than three years after the completion of the period of service.

f. Dissemination of Information

In accordance with the requirements of the Code of Virginia, Section 23-9.6:2, and the Virginia Tuition Relief, Refund, and Reinstatement Guidelines, Ascent College will make every effort to ensure that the aforementioned policies relative to tuition relief, refund, academic credit and reinstatement are well disseminated and carefully explained. Ascent College has designated the Office of Student Services as the office to ensure that these policies are properly disseminated and administered.

Refund Policy for Regular Students

The Enrollment Fee is non-refundable. Refund requests must be submitted in writing. No refunds are given after the 22nd day of classes. It is preferred that refunds be given in the form of credit toward a future course(s). However, the student may elect to receive a refund check. Tuition refunds are pro-rated according to the following table for our 8-week sessions:

- 0-7 days of the class: 100%
- 8-12 days of the class: 50%
- 13-17 days of the class: 35%
- 18-22 days of the class: 25%
- After 22nd day of the class: 0%

Refund policies for online students may differ depending on the state in which the student resides. Please contact the business office (703-753-2791) for the refund policy for your state. Class schedules for less than 8 weeks or more than 8 weeks will follow the same schedule as above with adjustment being made for the number of weeks of the class.

College Housing

Ascent College can refer students to housing options during their attendance at Ascent College. Any student desiring housing should contact the office for further information.

Returned Checks

A processing charge of \$35.00 is assessed when a check is returned by the bank for any reason.

Student Insurance

Full coverage health insurance is not available through the college. It is recommended that each student review dependent health coverage (parental health insurance) to see if such coverage continues while the student is attending college. The college can suggest an insurance carrier that will offer primary or supplemental insurance coverage. The supplemental coverage is not full coverage but is designed to supplement an existing policy.

Federal Title IV Refund Calculation

For students who are eligible and/or receiving Federal Title IV funds, the college must calculate the percentage of federal aid a student has earned. This percentage is based on the number of calendar days attended versus the total calendar days for the semester. Once this percentage is calculated, it is used to determine the amount Federal Title IV aid that may be retained to cover prorated charges on a student's account. The college must return any unearned aid to the federal government on a timely basis. This percentage is also used to determine the prorated charges for the semester. This procedure will enable Ascent College to refund the maximum possible institutional charges. Students who withdraw who are neither eligible nor receiving Federal Title IV aid will be subject to the institutional refund policy only.

Order of Refund Distribution Prescribed by Law and Regulation (Total Refund and Repayment):

- Unsubsidized Federal Direct Stafford Loan
- Subsidized Federal Direct Stafford Loan
- Federal Perkins Loan
- Federal Direct PLUS Loan
- Federal Pell Grant
- Federal SEOG
- Federal ACG
- Other federal, state, private or institutional aid

PROGRAMS OF STUDY

Ascent College offers four different levels of study (Certificate, Diploma, Associate, and Bachelor) to prepare students for their chosen field of ministry. These programs not only equip students professionally, but also assist them in viewing academic and professional subjects in light of their Christian faith. Program objectives in each of these programs assist the administration in assuring that Ascent College maintains its stated objectives for preparing students with academic proficiency, practical ministry skills, and opportunities for spiritual maturity.

Ministry Formation Programs

Ascent College places high priority on providing opportunities for practical experience and training in the student’s chosen career focus. Students in Associate, and Bachelor degree programs are required to take ministry formation courses designated as practicum courses in the degree plans.

Ministry Formation Programs Objectives for graduates from Ascent College will be:

- Capable of performing professional ministry functions at the introductory level
- Develop mentorship relationships with ministers actually engaged in the work of the ministry

CHILDREN’S MINISTRY LEADERSHIP CERTIFICATE (12 credits)

(Part 1 of 2 Certificate Programs)

The Children’s Ministry Certificate Program is a twelve-credit series of four courses to provide children’s ministry leaders with foundational learning and leadership relationships.

NON-DEGREE PROGRAMS

Non-degree seeking students are individuals who wish to take advantage of coursework offered through Ascent College’s accredited or non-accredited programs. These students are not interested in fulfilling the requirements for a degree from Ascent College but are interested in study for personal development and professional integrity.

Ascent College offers two ways to approach additional personal and professional development in a non-degree setting:

1. *Courses taken for academic credit.*

Students may be interested in taking specific courses being offered by Ascent College for college credit, even though the intent is not to work toward fulfilling the requirements for a degree. Students need to identify this approach in the application process. After acceptance into this non-degree program, students may register for any courses in which they are interested in order to enhance personal or professional goals.

2. *Courses taken for audit credit only.*

Students who are only interested in audit credit for courses should contact the admission’s office for further guidance on applying for this specific program. After acceptance at the audit level, students may register for any courses in which they are interested in order to enhance personal or professional goals.

This course is a study of the history of worship and the working of the Holy Spirit from the Old Testament, the Tabernacle, the early church, through the modern period. Emphasis is given to changes in worship practices resulting from the Reformation, the Great Awakenings, revival movements, large evangelistic crusades of the 1940-1950s, Jesus Movement, praise and worship movement through to the worship culture of today.

WOR 340 Basic Conducting (2)

A rudimentary course in conducting techniques for traditional and non-traditional settings. Knowledge and skills areas addressed include basic conducting gestures and patterns; score interpretation; rehearsal management and technique; programming considerations; and insight into navigating vocal and instrumental issues.

WOR 405 Musicianship I: Fundamental Awareness (2)

An introduction to the rudiments of music and theoretical concepts through practical experience with notation, meter, key signatures, scales, intervals, and chord structures. (No previous music background required.)

WOR 406 Musicianship II: Working Knowledge (2)

Prerequisite: WOR 405 or equivalent, or permission of the instructor.

Further study of musical rudiments and theoretical concepts; including visual/aural training, musical analysis, transposition, progressions, basic form and composition methods.

WOR 407 Musicianship III: Skills for Worship Leaders (2)

Prerequisite: WOR 401, WOR 402, or permission of instructor.

A practical application of harmonic, melodic and rhythmic principles in worship music. Special attention is given to the Nashville Number System and jazz harmony practices to understand chord construction and progressions as the foundation for crafting charts, compositions, and arrangements for worship services.

WOR 410 Directing & Conducting Principles (3)

The study of the fundamentals of techniques for conducting instrumentalists and vocalists and development of the skills needed to work with an ensemble, choir, and worship team.

YOUTH MINISTRY LEADERSHIP

MIN 108 Seminar in Youth Ministry (1)

Students will learn specific techniques to recruit and develop volunteer staff and to plan and implement youth services. Students will hear from guest speakers and will plan a youth service.

MIN 330 Gospel-Centered Youth Ministry (3)

This course lays a foundation for being a gospel-centered leader, creating a gospel-centered culture, having a good theology on suffering, and creating Biblical literacy and gospel fluency in leaders and students.

MIN 343 Discipleship Strategy in Youth Ministry (3)

This course contributes to forming a philosophy of ministry where students view all of life as discipleship, understand a definition of discipleship. Students learn to leverage all ministry environments for discipleship, develop a culture of disciples making other disciples, and the role of the gospel in discipleship.

MIN 322 Understanding Adolescent Culture (3)

This course helps students be savvy about technology & social media, how to address mental and emotional health matters for adolescents, leading in a post-truth world, and knowing how to exegete culture and use God's truth to address it.

MIN 412 Youth Ministry in the Local Church (3)

This course helps train youth leaders to understand their part in a larger church-wide discipleship strategy, by being a team player, supporting the vision of another, and working with other ministries. This course trains students to equip parents to be disciple-makers.

MIN 422 Teaching a Biblical Worldview to Teenagers (3)

This course trains students to understand and be able to teach on the basic building blocks of a Biblical worldview: there is a righteous Creator to whom we are accountable, the designer is the definer, God's plan for human flourishing and freedom, what it means to be an image bearer, the Fall, the ongoing results of the fall, God's redemptive plan from beginning to end, the person and work of Jesus, the Lordship of Jesus, the mission of God, and the end of the story.

MIN 472 Leadership Skills for Youth Ministry (3)

This course provides students with necessary administrative skills for youth ministry, including implementing and sustaining effective systems, necessary steps for recruiting and on ramping new youth leaders, communicating with parents, planning out a preaching calendar, planning out an event calendar, and budget management.

MIN 477 Holistic Youth Ministry (3)

Focus is placed on providing ministry to youth that is balanced in evangelism, discipleship, and worship. Priority will be given to educating youth cognitively, affectively, and behaviorally so that their head, heart, and hands are impacted. Curriculum development will also be covered.

MIN 479 Development of the Youth Ministry Team (2)

Explores the role, duties, and qualifications of the Youth Ministry Team, including parents, pastoral staff, sponsors, and the entire church. Emphasis will be placed on the Youth Pastor's ability to work with adults, as well as children.

GRADUATION

Students must complete the course degree requirements applicable at the time of matriculation into the college as specified in the college catalog current at the time. These course requirements may be fulfilled by successfully completing the course (higher than a letter grade of F) at Ascent College, by successfully transferring the course into Ascent College from another postsecondary educational institution as approved by the Registrar's office or experiential learning, or by successfully substituting the course by another course with approval from the Academic Dean's office.

The minimum requirement for graduation is a GPA of 2.0 overall and 2.5 for area of concentration. The final 25 percent of credits for any program must be earned at Ascent College and a minimum of 30 percent of total credits must be earned at Ascent College in order to be awarded a degree from Ascent College.

To graduate, students must submit a personal mission statement as evidenced in the student portfolio prepared by the student and approved by the Dean of Students. Completion of practicums as may be defined in the Academic Catalog. All students must demonstrate Biblical knowledge proficiency by passing the Bible Knowledge exam.

Students with at least a 2.0 who are within twelve semester hours of meeting graduation requirements and who plan to fulfill these requirements in Ascent College's summer session may petition the Registrar to participate in spring commencement exercises. The student will subsequently be granted the degree upon successful completion of the required hours.

Student accounts must be paid in full and cleared by the Registrar before graduation is finalized.

Honors will be awarded to students attaining the following final grade point averages:

- Cum Laude; 3.40 - 3.59
- Magna Cum Laude; 3.60 - 3.79
- Sum Cum Laude; 3.80 - 4.00

Upon graduation from Ascent College, the student will have a quality, academic education and practical ministry experience to aid in ministry. Students should take full advantage of the opportunities this affords.

Graduation Activities

Each year, Ascent College graduates a class of trained leaders that impact the Kingdom of God. Graduation activities include the Commencement Exercise. Graduating students are strongly encouraged to attend all activities.

Graduation Policy

All students anticipating graduation in the Spring must submit a graduation petition form no later than November 5. The forms are available online and through academic advisors.

Transcripts

After a student graduates or for some reason leaves Ascent College he or she may request official transcripts from the Registrar's Office. Ascent College provides transcripts for a fee of \$5.00. Students with an

outstanding balance will not be able to receive their transcript until their balance is paid in full.

Career Advising and Placement Services

Ascent College offers no formalized career advising and placement services. However, the college is connected with local churches throughout the Potomac Network and may assist in providing information regarding current pastoral and local church positions.
