

## STEPS FOR FEDERAL FINANCIAL AID 2024-2025

### STEP 1

Review the information provided by the U.S. Department of Education at [www.studentaid.gov](http://www.studentaid.gov) or via phone at 1-800-4-FED-AID (1-800-433-3243). This information is for applying for federal and state student grants, work-study, and loans.

### STEP 2

Get a Federal Student Aid ID. An FSA ID lets you apply, “sign” your online Free Application for Federal Student Aid (FAFSA), correct your application information and more – so keep this information both handy and safe. Go to [studentaid.gov/fsaid](http://studentaid.gov/fsaid) to create your FSA ID. If you are a dependent on someone else’s return or need to utilize their information, they will also need to get a Federal Student Aid ID. If their tax information is required, they must consent to IRS access on the FAFSA. This makes the process much easier and faster. If parental consent is not given, then the FAFSA may not be processed.

### STEP 3

You will need to consent to the FAFSA accessing your IRS information. It makes the FAFSA faster and easier to fill out. You may need to collect your income tax returns, W-2 forms, and any other income records. A full list of what you need is at [www.studentaid.gov](http://www.studentaid.gov). If your tax return is not completed at the time you apply, estimate the tax information and correct the information later.

### STEP 4

Complete the 2024-2025 FAFSA application for the Fall 2024 and the Spring 2025 semesters. The fastest and easiest way is to apply online at [www.studentaid.gov](http://www.studentaid.gov). If you don’t already have your FSA ID, you can get it when you complete the online FAFSA. (You will need the **Ascent College School Code 041538** as you complete the application.)

### STEP 5

After completing and submitting your FAFSA, the Department of Education (ED) will review your application and provide a decision in three to five business days. ED will prepare a Student Aid Report (SAR), from information on your FAFSA and send the results to you. Review your SAR, make changes or corrections, if necessary, and submit your SAR for reprocessing. The completed SAR will contain your Student Aid Index (SAI) which is the number used to determine your federal student aid eligibility.
