

## What is Grammarly?

Grammarly is a cloud-based typing assistant that reviews spelling, grammar, punctuation, and delivery mistakes, detects plagiarism, and suggests replacements for the identified errors. You can access Grammarly at Grammarly.edu.

## Do I have to pay for Grammarly?

No. Ascent College has an institutional license to Grammarly, allowing students and faculty access to a premium account with Grammarly during their time at Ascent College.

## What happens after I register for an account with Grammarly?

After registering your account, you can use the link on the ascent.edu website under Students>MyAscent to access app download options that integrate Grammarly features directly into your documents. Alternatively, you can upload papers to the Grammarly website to assist with grammar and plagiarism checks.
