What is ProQuest?

ProQuest is a website providing access to multiple databases of scholarly content, including journals, books, videos, dissertations, newspapers, and more. Students at Ascent College will regularly use ProQuest to curate academically appropriate sources for theological research and thesis development as assigned by faculty.

Do I have to pay for ProQuest?

No. Ascent College has an institutional license to ProQuest, allowing students and faculty access to all ProQuest databases during their time at Ascent College.
